1 Reading

About you **A** How much time do you spend on these activities every day? Tell the class.

- at work or school
- on the Internet
- on the bus or train or in the car
- on the phone

"I spend about an hour a day on the phone."

B Read the article and take the quiz. Then compare with a partner. Are you like average Americans?

Reading tip

Before you read an article, "skim" it (look at it quickly). This gives you an idea of the topics it covers.

Are you like an average American?

Do you work eight hours a day? Then you're similar to the typical American. In fact, the average American with a full-time job works just over eight hours a day. How much time do you spend on the Internet? The average American spends just under two and a half hours a day online. So do you live your life like the average American? Find out with our quiz.

	Average American	You	
1. Do you get up at 6:30 a.m. on weekdays?	Yes	Yes ☹	No ☹
2. Do you sing in the shower?	No	Yes ☹	No ☹
3. Do you have cereal with milk for breakfast?	Yes	Yes ☹	No ☹
4. Do you have a pet?	No	Yes ☹	No ☹
5. Do you use public transportation every day?	No	Yes ☹	No ☹
6. Do you watch television about three hours a day?	Yes	Yes ☹	No ☹
7. Do you exercise every day?	No	Yes ☹	No ☹
8. Do you eat at a restaurant three times a week?	Yes	Yes ☹	No ☹

So are you like the average American? If you're not, that's OK – it's fun to compare your life with the lives of people in another country. If you are, that's OK too, because the average American is happy!

C Read the article again. What does it say about these things? Check (✓) True (T) or False (F).

1 Reading

A Read the statements about technology. Do you agree? Tell the class.

1. Technology is great. It helps you keep in touch with people.
2. Technology is good, but people spend too much time on their computers and cell phones.

B Read the article. What do technology addicts do? Find six things.

Reading tip

Before you read an article, read the title. Ask yourself questions. For example:
What is a technology diet? Do I need it?

http://www.technologytopics...

Do You Need A Technology Diet?

Technology is great. We text and email friends all day long, and we're always in touch with the office. Some experts say that a lot of people are now "technology addicts" – they spend too much time on computers and phones. So how do you know if you have a problem? Answer these questions. If you answer yes to all of them, maybe you're a technology addict.

- ▶ What's the first thing you do in the morning? Do you check your email and text messages?
- ▶ Do you ever go out with one friend and then spend time talking to a different friend on your cell phone?
- ▶ Do you spend a lot of time on your social network and hardly ever see your friends?
- ▶ Do you answer calls or texts in a movie theater?
- ▶ How much time do you spend online every day? Is it more than six hours?

Technology *is* very useful, but if you spend all your time on your computer and your cell phone, that's not good for you or for your family or friends! Maybe you need to go on a "technology diet." What does that mean? Well, enjoy breakfast with your family. Use your social networking site, but meet your friends, too, and do something fun together. Talk to the friend you are with now. So give it a try. Turn off your phone . . . just for a minute. Like, right now?

C According to the article, what is good advice for a technology addict? What is bad advice? Check (✓) the boxes.

	Good advice	Bad advice
1. Send a lot of text messages when you're at the movies.	<input type="checkbox"/>	<input type="checkbox"/>
2. Meet face-to-face with family and friends.	<input type="checkbox"/>	<input type="checkbox"/>
3. Turn off your cell phone sometimes.	<input type="checkbox"/>	<input type="checkbox"/>
4. Check your email right after you get up in the morning.	<input type="checkbox"/>	<input type="checkbox"/>
5. Spend more time with friends and less time on social networks.	<input type="checkbox"/>	<input type="checkbox"/>
6. Eat meals with your family and talk.	<input type="checkbox"/>	<input type="checkbox"/>

B Read the website guide to a New York City neighborhood. What kinds of places are there? What do people do there?

Reading tip
Look at the photos in an article first. They can tell you what the article is about.

The screenshot shows a website for 'The Village' in Manhattan. The main heading is 'The Village' in a large, white, cursive font. Below it, there's a welcome message: 'Welcome to Manhattan's Greenwich Village. This "artsy" neighborhood has something for everyone. There are outdoor cafés, great theaters, music and comedy clubs, interesting stores, restaurants, and beautiful parks.' The website is divided into four main sections, each with a photo and a text box:

- Bleecker Street shopping:** A photo of a street scene with shops. Text: 'Window-shopping on this busy street is fun. There are some wonderful stores and unusual boutiques. It's a great place to buy books, clothes, and jewelry. Stores are usually open between 11:00 a.m. and 8:00 p.m.'
- Washington Square Park:** A photo of the Washington Square Arch. Text: 'There are a lot of free events in this beautiful park – concerts, movies, poetry readings, and more! It's also the perfect place to just sit and enjoy some quiet time and maybe play a chess game. It's open from early morning to 1:00.'
- Live music in the Village:** A photo of two musicians playing a double bass and a saxophone. Text: 'There's a great music "vibe" in the Village with street performers, old record stores, and the Village's famous jazz clubs, such as Fat Cat and the Blue Note. For more information about shows, visit the Gotham Jazz website at www.gothamjazz.com.'
- Art in the Village:** A photo of a storefront covered in keys. Text: 'The Village is full of art, and it's not just in the galleries. Check out this storefront covered in keys. Be sure to go to the Forbes Galleries. The exhibits change throughout the year, and there is always something new to see. The galleries are open Tuesday through Saturday, and admission is free.'

At the bottom of the website, there is a call to action: 'Call the visitor hotline at 1-555-805-4040 for more information about New York City.'

1 Reading

A For which exercise activities do you do these things? Tell the class.

- have a personal trainer
- buy special equipment
- pay a fee
- get feedback on your progress

B Read the article. Why is exergaming a good idea?

Reading tip

Read the main headings first. They tell you what the article covers.

EXERGAMING Give it a try!

College student Aaron Case plays tennis every day, even when it's raining – like today. But Aaron isn't getting wet. He's playing against a virtual tennis professional on his TV. These days, there are millions of "exergamers" like Aaron. They're skiing, playing golf, and doing karate in their own homes. Video exercise games are popular with people of all ages, and it's easy to see why.

- ▶ **The weather is never a problem.** Is it raining or snowing? Maybe it's hot and humid outside. Don't worry. Exercise indoors.
- ▶ **It's convenient.** Stay home and work out in front of your TV!
- ▶ **It's motivating.** Don't pay for an expensive personal trainer. With exergaming, you see your scores and get feedback on your progress.
- ▶ **There's variety.** Try something new. Exergames have everything from aerobics to yoga. There are a lot of different types of games, so you never get bored.
- ▶ **It's fun.** Work out with a friend, or play a game with a family member.
- ▶ **It's not expensive.** Forget about monthly gym fees. Just buy the basic equipment and a game, and after that, exergaming is free!

So, if you're looking for convenient, cheap, and fun ways to exercise, why not give exergaming a try?

- B** Read the article. How many of the activities on your list are mentioned? What other things do people do at the Dubai Mall?

Reading tip

Read the title and predict six words in the article. Then scan the article to see if your words are in it.

The Dubai Mall

SHOPPING, ENTERTAINMENT, LIFESTYLE

If you want to buy a new outfit, you go to a mall. If you want to see sharks in an aquarium or listen to a world-class concert, where do you go? A mall? Well, yes. These days, malls are not just for shopping. They're an important part of our lifestyle.

SHOPPING The Dubai Mall has over a thousand stores, with everything from designer clothes to electronics. Every week, over 750,000 people – including top celebrities – shop there. There's also a *souk* – a traditional market with souvenirs, jewelry, and local craft stalls. You need to spend several days there if you want to visit every store. But that's fine because there's a 250-room luxury hotel in the mall, too.

ENTERTAINMENT

There's an indoor entertainment park full of virtual reality experiences: safari rides, a snowboard jump, and other exciting games. There's an aquarium with sharks, and don't miss the amazing fountains outside – they're the height of a five-story building.

HAVE A GREAT TIME There are lots of other things to enjoy, too. Eat at one of the 160 restaurants, go and see a movie, a famous band, or piano concert, take a diving course, or just relax.

SHE SAID YES!!!

SATURDAY, APRIL 28

What a *crazy* week! I forgot Sophie's birthday. I got a new job. Oh, and I *almost* didn't ask Sophie to marry me!

I bought a ring for Sophie on Saturday morning – I wanted to ask her to marry me that night. So I invited her over, cooked a special dinner, and made her favorite dessert. I felt nervous, but when she arrived, she said she had a cold and felt tired. *Not* the right mood for "Marry me." She went straight home after dinner. She didn't even eat my chocolate cake!

I had an important interview on Wednesday – I didn't get Sophie's cold, thank goodness – and I got the job! When I texted Sophie the good news, she texted back, "Let's have dinner on Friday to celebrate!" Perfect, right? Wrong. We went to our favorite restaurant. Before the server showed us to our table, Sophie saw some friends, and we all ate together. I didn't want to ask her in front of all our friends. After we left the restaurant, Sophie borrowed my jacket. (*Oh, no! The ring!*) She put her hands in the pockets and found the box!

"Oh, you remembered my birthday!" she said. (*Oh, no! Her birthday!*) Then she opened the box. Thinking fast, I dropped to one knee. "Happy birthday, Sophie! Will you marry me?"

Last Friday, I met a friend for coffee after work. We usually go out on Fridays, but we wanted to do something different. We felt exhausted, and we wanted to relax a little! Before we left the coffee shop, we called four friends. We invited them to my apartment for a little party. Then we stopped at a supermarket and bought some sodas and three big pizzas. When our friends arrived, we just sat and talked for hours. And we ate all three pizzas! We had a really great time!

How embarrassing!

By Sarah Morgan

A funny thing happened to me yesterday after work. I was really hungry and I didn't feel like making dinner, so I went to a fast-food place near my office building. I got a cheeseburger, some fries, and a soda. The restaurant was really crowded, so I had to share a table. I sat down with my tray across from a young guy. I said, "Hi. Is this seat free?" He nodded and smiled, but he didn't say anything. He seemed pretty nice.

Anyway, I got out a magazine and started eating my burger. It was a really interesting article and I couldn't stop reading. But then I saw the guy take one of my fries! I couldn't believe it, but I was too embarrassed to say anything. Then he took another one, and I still didn't say anything!

Then I thought, "Those are my fries." So I took a handful and ate them. The guy looked at me in a funny way, but he didn't say anything. Then he did it again and ate another one of my fries! It was really strange.

Finally, a few minutes later, he got up, took his tray, and left. That's when I realized the fries were on his tray! And my fries? They were under my magazine. How embarrassing! I ran out into the street. There was the guy.

Be sure to try some ice cream, too. It never melts!

A chef, a server, and an entertainer go with you to make a perfect evening. But if you're scared of heights, we don't recommend it!

The Hajime Robot Restaurant, Bangkok

Here's something *really* different – a restaurant with robots. Choose your food from a touchscreen computer menu, and a few minutes later, a smiling robot brings it to you. You can also barbecue food at your table or order other delicious Asian dishes from the menu. CAMBRIDGE ENGLISH CORPUS

The Cambridge English Corpus is a multi-billion word collection of written and spoken English. It includes the Cambridge Learner Corpus, a unique bank of exam candidate papers.

Our authors study the Corpus to see how English is really used, and to identify typical learner mistakes. This means that Cambridge materials help students to avoid mistakes, and you can be confident the language taught is useful, natural and fully up to date.
